Department: Youth Community Services, SCL Autism Associate

Employees will provide services to children with autism in their own homes, working 2 to 3 hours a day with each child. Using applied behavior analysis techniques, this program meets the needs of the children by providing assistance in learning skills that lead toward independence or increased access to life and home activities. Part-time positions are available for people interested in working 10-20 hours per week with children in Ankeny, Johnston, Des Moines, West Des Moines, Waukee and surrounding areas. Daytime positions are available. Most shifts are after school hours and on weekends. Autism specific training is provided.
